

# Regional Planning Guidance 9: Revision to Waste and Minerals Strategies.

## Statement of Reasons for Further Changes

The Table below lists the changes made in the published Revision, and the reasons for those changes, following public consultation on the 'Proposed Changes' which closed in November 2005. This does not include minor typographical or other similar changes, or update to references. The Statement is issued with the published Revision to comply with – Part 1, section 9, paragraph 3b of the Planning and Compulsory Purchase Act 2004

RPG 9: Revision to Waste and Minerals Strategies: Reasons for Changes

<b>W17</b>	10.239 -242	Text amended/deleted, paragraphs merged and new paragraph added.	Many respondents raised different and opposite concerns about the policy approach to the possible location of sites in designated areas, principally AsONB and Green Belt, and the suggested types of facilities that might be appropriate. The text and Policy have therefore been amended to remove any confusion and ambiguity, and for consistency with PPG 2, while retaining the intention of the Policy towards sites in designated areas.
	<b>Policy</b>	Final paragraph amended	To reflect changes made to paragraphs 10.239 – 10.242
<b>Implementation</b>	10.244 to 259	Minor textual changes and paragraphs merged	To improve presentation and syntax. .
	10.254	New paragraph inserted	To complete summaries of lead actor responsibilities and requested by several respondents
<b>Monitoring</b>	10.265	Text amended and new bullet inserted	Update with latest position
<b>Implementation Plan</b>		Lead actors and support roles separated, expanded and updated	For consistency with Panel recommendation, present a clearer and comprehensive Implementation Plan and requested plan by several respondents.
<b>Implementation Plan</b>		Lead actors & support roles separated and updated	Several respondents requested plan needs clear ownership
<b>M2</b>	<b>11.15</b>	Final bullet deleted to avoid duplication with para 11.16.	Requested by respondent
	<b>11.26 – 11.27</b>	Text amended to reflect final version of Policy M2 and to refer to Policy W17 in the Waste Strategy	To reflect national policy more accurately
<b>M3</b>	<b>11.34</b>	Minor text changes to reflect more accurately the situation in Bucks	Requested by respondent
<b>M4</b>	<b>11.48</b>	Minor text changes to update situation	Updating current situation
<b>Implementation Plan</b>		Minor text changes and corrections	Requested by respondent
